Aloha:

Please find documents attached relating to request for information on Big Isle Ventures' Hawaii projects.

The Kau Holding Company property has an additional \$300K in escrow in addition to the \$420K indicated in the Tentative Buyers Statement for a total of \$720K, plus \$250K on the Moaula property.

I have attached the Moaula Land Sale Contract in lieu of a closing statement as a closing date is not yet scheduled, though is expected shortly.

The exit strategy is page 2 of the Pro Forma.

The deal with Lehman was cancelled by us as being too egregious.

Can you clarify the meaning of question #6

Please contact me should you have any questions.

Thank you,

"Too egregious" in  
Manfredi's words -  
not Kenner...

This is **AFTER 7**  
weeks and  
\$451,080 of  
extension fees  
incurred while  
searching for  
another loan to  
replace the Lehman  
loan which would  
have bankrupted the  
company at a total  
loss within 24  
months...

- 1) Executive summary
- 2) Exit Strategy
- 3) Copy of closing of new property
- 4) Amount of money put into this project
- 5) Improvements made so far
- 6) How much is owed (total of all lots)
- 7) What was done with the money from Lehman

This doc was originally turned over by  
Jowdy in the CA case before Kenner  
forwarded it to the SEC in 2011 -- thus  
Jowdy, Najam and the FBI working with  
Jowdy have been aware of this at all  
times prior to the EDNY trial...
